

**PETITION TO THE HEART OF ILLINOIS UNITED WAY**

Recognizing that in the past the Heart of Illinois United Way has funded Planned Parenthood Heart of Illinois;  
Recognizing that Planned Parenthood Heart of Illinois has merged with the state's largest provider of abortions now called Planned Parenthood of Illinois;  
Recognizing that Planned Parenthood of Illinois will likely seek funding from the Heart of Illinois United Way; and  
Recognizing that funding by the Heart of Illinois United Way to this or any abortion entity is abhorrent whether or not our individual contributions are routed to other agencies;

**We therefore urge the Heart of Illinois United Way to declare its policy not to fund Planned Parenthood of Illinois or any other abortion agency for any programs or services at all.**
